

CHU MBA

Emphasis in Corporate Finance

The Colorado Heights MBA with Emphasis in Corporate Finance equips students with the tools necessary to understand business from a financial perspective—whether by analyzing a company's stock price, overseeing the budgeting process, or compiling a department or company forecast. As business professionals progress in their careers, the CHU MBA with Corporate Finance emphasis provides a solid understanding of finance functions that are key components to any business. Graduates have a foundation of knowledge that prepares them for successful management positions in areas of corporate finance, investment banking, non-profits, and any type of business organization.
